

# A Toast to a Stronger Philam Force in 2016

As Philam Life embarks toward the New Year, its strong agency force of over 9,000 pledges to "move faster, grow stronger, and soar higher" this 2016.

During Philam Life's year-starter event at the Marriott Hotel in Pasay, spirits were high and the power of the force was over-flowing.

The Gathering of the Stars gave recognition to Philam Life's members of the Million Dollar Round Table (MDRT), an organization whose membership is internationally recognized as the standard of excellence in life insurance and financial services. Philam Life MDRTs are committed to help aspirants reach MDRT status this year while aspirants rose to the challenge of becoming part of the premier circle.

The celebration continued up to the next day with the Power Assembly rallying the agency force towards a stronger year. All the guests had a blast at the Star Wars-themed event, where everyone including AIA and Philam Life top executives wore costumes inspired by the movie franchise.

The two-day event was capped off later that night with the Assembly of Lights. Agency Leaders crossed over to House Manila at neighboring Remington Hotel to toast 2016, foreseen to be a more fruitful year for Philam Life.
